## Business Areas

Uhrenholt covers many different sales channels and each business is tailored to best meet the needs of our customers and partners. We supply an assortment of dairy and frozen vegetables to a broad range of retail, wholesale, foodservice and industry customers.

## Dairy

Our range of cheeses includes many different varieties from all over the world from the well known Danish cheeses such as Danablu, Havarti, Danbo, Esrom, White Cheese, to Edam, Gouda, Brie, Camembert, Maasdam, Cheddar, Mozzarella, as well as various other specialties such as Italian Parmigiano Reggiano, Spanish Manchego and Swiss Gruyère.

All products are packed and produced in various sizes and formats for a specific need, for example large blocks or small table packs or conveniently sliced, cubed or grated.

## Assortment

For the foodservice, wholesale and retail sector we supply a complete range of dairy produce such as:

- Brie
- Camembert
- Bluemould
- Cheddar
- Combi White – White Cheese/Feta Cheese
- Cream Cheese
- Danablu
- Edam ball and loaf
- Emmental
- Fontina
- Gouda wheel and loaf
- Havarti
- Maasdam
- Mozzarella
- Pizza Topping
- Stretchy Analog Mozzarella
- Natural Cheese Slices
- Processed Cheese Slices – slice on slice
- Sterilized/Filled Cream
- UHT Creams – dairy and non-dairy Whipping and Cooking Creams
- French, Italian, Spanish and Swiss cheese specialties

These products are supplied under different brands, such as Friendship, Golden Dane, Danegoods and Danking.

# Dairy Europe

Our range of cheeses includes many different varieties from all over the world from the well known Danish cheeses such as Danablu, Havarti, Danbo, Esrom, White Cheese, to Edam, Gouda, Brie, Camembert, Maasdam, Cheddar, Mozzarella, as well as various other specialities such as Italian Parmigiano Reggiano,

Spanish Manchego, and Swiss Gruyère. All products are packed and produced in various sizes and formats for a specific need, for example large blocks or small table packs or conveniently sliced, cubed or grated.

# Frozen Foods Europe

We offer a wide range of frozen food products from all over the world for the retail sector, foodservice and wholesale.

### Traditional vegetables

Popular range of classic vegetables individually quick-frozen for example peas, sweet corn, peas and carrots, beans and mixed vegetables.

### French Fries

Our french fries are available in two different thicknesses as well as in various lengths and grades.

### Exotic vegetables

Exciting range of different vegetable mixes, grilled vegetables, and breaded onion rings.

### Organic

Introducing a new organic range of frozen vegetables.

# Master Brands

Customers and partners worldwide put their trust in Uhrenholt as a strong and reliable partner, and our three master brands have been tailored to market needs and demands. All three have a dominant position in sales today and take priority in our investment choices.

Emborg is Uhrenholt's main retail and foodservice brand. It was launched in 1947 and has since developed to become a globally recognised brand.

Friendship was the first registered brand in Uhrenholt and is our primary B2B brand. It was launched in 1978, the same year as Uhrenholt was founded.

Amigo was launched in 2002. It has become well-established in key markets globally and is mainly used to brand our dairy commodity products to the dairy industry.

# Commodity

At Uhrenholt, we supply quality dairy ingredients sourced from the world's most advanced manufacturing, pre-packing and blending facilities. With more than 30 years of trading experience, we are constantly exploring new possibilities to enhance our ingredients range. All our ingredients are produced to the highest standards and full specifications and quality control measures are available on request. Our products are supplied under different brands. Our well known leading brands are Amigo and Mon Ami, which are sold all over the world.

### For the food industry we supply a full range of dairy ingredients, such as:

- Whole milk powder
- Skimmed milk powder
- Sweet / DEM whey powder
- Fat filled milk powder
- Casein / Caseinate
- Whey protein concentrate
- Lactose
- Milk protein concentrate
- Cheddar
- UHT Milk
- AMF / butter oil
- Butter
- Cheese for processing
- Whey permeate

### Our Amigo powder is sold to numerous industries including:

- Ice-cream industry
- UHT milk industry
- Bakery industry
- Chocolate industry
- Infant formula
- Yoghurt industry
- Functional drinks
- Confectionery industry

# Dairy Assortment Japan
